Good morning

Annual Governance and Accountability Return 2018/19

Thank you for returning the Council's AGAR Part 2 by the statutory deadline.

Please regard this email as acknowledgement of receipt.

Authorities who have completed a Declaration of Exemption **do not need to provide any information other than a copy of the exemption certificate (page 3). Any additional information provided will be disregarded.** A declaration of exemption means that we are not required to carry out a review and therefore the Council will not hear from us again until we start planning for 2019/20.
